Central School District

2014-2015 Calendar & Parent Guide
Community forums:

At various times during the school year, the district’s superintendent and Board of Education set aside special sessions for parents, alumni and other district residents to participate in open forums that are designed to gather feedback from the greater school community.

The following Community Forums have been scheduled for the 2014-15 school year:

10/9 and 1/5. Please see the specific calendar date boxes for more details.

NOTE: The information provided in the school calendar is based on the best information available at the time of publication. Information, dates and times are subject to change. Consult your child’s school office, the Blue and Gold Newsletter or the district’s website, www.caz.cnyric.org, for the most up-to-date information.

Cazenovia Central School District
A Tradition of Excellence & Equity

Mr. Eric Knuth.................................................................Principal, Jr.-Sr. High School
Miss Susan Vickers..........................................................Associate Principal, Jr.-Sr. High School

Our Mission

Each individual will strive to attain his or her potential in a positive and safe learning environment in which the entire school community encourages self-worth, a sense of responsibility, a caring attitude, and an appreciation for learning and distinguished achievement of required academic standards.
Cazenovia PTA and PTSA:

Cazenovia Central School District is a member of the National Parent Teacher Association (PTA), the largest volunteer association in America. PTA works for the education, health and safety of all children. Cazenovia has three separate PTAs within its district.

Burton Street PTA and the Cazenovia Middle School PTA are PTA organizations, and Cazenovia High School is a PTA organization (PTSA), which promotes student membership and leadership.

The mission of our PTA program is to support and speak on behalf of children and youth in schools, to assist parents in developing skills they need to raise and protect their children, and to encourage parent and public involvement in the public schools. Please join us and have a voice.

Burton Street PTA Officers:

Co-Presidents: Kathleen Hoak and Jonna Brown
Co-Vice Presidents: Cassie Briglin and Vicki Grimes
Secretary: Cassie Briglin
Financial Committee: Amanda Denton and Vicki Grimes
Events/PR Committee: Maureen Phillips
Teacher Reps: Pam Rightmyre and Carin Sattler

PTA Officers (Middle School):

President: Julie Kubiniec
Vice President: Emily Young
Secretary: Debbie Kumiega
Treasurer: Nancy Wright

Cazenovia High School PTSA:

President: Beth Race
Vice President: Michaela Giangiobbe
Treasurer: Krista Peterson
Secretary: Linda Yates

Cazenovia Athletic Association:

The Cazenovia Athletic Association supports and promotes the athletic programs of the Cazenovia Central School District. Annual membership forms are available online at www.caz.cnyric.org.

President: Dawn Nash
Vice President: Ann Shephard
Recording Secretary: Amy Romano
Treasurer: Bridget Cunningham
Membership: Laurie Cornell
District Adviser: Mike Byrnes

Public Notice of Free Lunch Program:

In accordance with the National School Lunch Act governing schools participating in the National Lunch Program, Cazenovia Central School District will provide free lunches for students from qualified families. It is required that such notice be sent out to all families of school children in the district.

Application forms for free lunches will be mailed to all families with school children in the district. The forms are also available at all the school offices. Qualified families must apply each year for free lunches even if they have participated during the previous school year. Forms should be returned to the school district treasurer as soon as possible. Forms will be made available to students new to the district at the time of registration.

Textbooks, Library Books:

Textbooks and library books are provided for pupils in accordance with New York State Education Law. These books remain the property of the school district and they are loaned to pupils with the understanding that pupils are responsible for the reasonable care and safe return of any texts or library books they borrow. Lost or damaged books will be paid for by the students to whom they were loaned.

Early School Closing:

If it should be necessary to close school before the usual time, it is important for your child to know what to do. This is especially important if both parents work and there is no one to look after your child if there is an early dismissal. Please discuss this possibility with your child. At the opening of school each September, forms will be sent home so you can have your wishes in writing and on file in the main office. All after-school activities are canceled when school is dismissed early.

Notification of Teacher Qualifications:

In accordance with the No Child Left Behind Act, parents are entitled to information regarding the professional qualifications of their child's classroom teacher. You may receive information by contacting your building principal.

The information will include:

- whether the teacher has met New York State certification requirements for the grade levels and subject areas in which he/she provides instruction;
- whether the teacher is teaching under emergency or other provisional conditions by which New York State certification requirements have been waived;
- the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
- whether the child is provided services by teacher assistants and, if so, the teacher assistants’ qualifications.

Art Appreciation

Cazenovia is fortunate to have one of the finest art departments in Central New York. This year’s calendar features work created by the artists of Burton Street Elementary, under the direction of art teacher, Mrs. Mary Damon.
Snow Days:
If snow has fallen heavily during the night and you wonder if schools will be open or closed, turn on the television and watch one of the following stations: Channel 3, Channel 5, Channel 9 or Channel 10. All local broadcasters have the news by 6 a.m. Local news channel websites and some radio stations are other good resources.

Please do not call the school or bus garage asking if school is closing early or will be closed. This ties up the lines when we are trying to gather additional information to notify people of schools closing or early dismissals. As soon as any decision is made, the above stations will be notified. Your cooperation in this matter will be greatly appreciated.

Attendance:
All school-age children in New York State in proper physical and mental condition are required to attend school. The following are legal reasons for absence.

• personal illness;
• illness or death in the family;
• required court appearance;
• remedial health treatment (doctor or dentist);
• religious observance;
• pre-approved or pre-validated college visit;
• impassable roads or severe weather;
• approved cooperative work program;
• road test for driver license.

It is required by state law that every absence, excused or unexcused, be explained by a written note from home, signed by the parent, upon the student’s return to school. The note should specifically state the date and cause of absence.

Absences:
1. For middle and elementary school students, call the Health Office of your child’s school in the morning if your child is absent. For high school absences, call the Attendance Office at the high school (655-1370, Ext. 3).
2. A written excuse from the parent/guardian giving the child’s name, date of absence, and specific reason for the absence is required the day the child returns to school.
3. Please report any communicable diseases to the school nurse immediately (i.e. “strep” throat, chicken pox, head lice, etc.)
4. A student absent due to a prolonged illness will be asked to present a doctor’s note to verify re-admittance and note any restrictions the student might have.
5. Any middle or high school student arriving tardy to school as a result of a health appointment must provide a doctor’s note that day to be eligible for extracurricular activities, including athletics.

Students with Special Needs

Cazenovia Central School District provides programs and services for students who have special needs. Usually these needs are related to learning basic skill areas (e.g. reading, mathematics, writing).

Each building has teachers who are trained to help these students and to assist the students’ other teachers. In addition, the district employs specialists, (a school psychologist, a speech/language therapist, an occupational therapist, and a physical therapist), who provide services to help students with learning-related differences.

The overall objective is to help each student to utilize his or her potential ability and to learn to the maximum extent possible.

Parents who would like more information about special services or the Committee on Special Education should contact the principal of the school that their child attends.

Dignity for All Students Act:

The Board of Education recognizes that teaching students respect, civility and understanding toward others, as well as the practice and reinforcement of appropriate behavior and values of our society, is an important function of the Cazenovia Central School District.

Cazenovia CSD wishes to foster an environment in which students exhibit behavior that promotes positive educational practices, allows students to grow socially and academically, and encourages healthy dialogue in respectful ways. By presenting teachers and staff as positive role models, the district stresses positive communication and discourages disrespectful treatment.

FERPA: Access to Student Records:

Notice is hereby given to residents of the Cazenovia Central School District that the school regularly collects information on students and maintains this material in student records. Pursuant to the Federal Family Educational Rights and Privacy Act of 1974 (FERPA), parents of district children and students over 18 years of age have a right to inspect and review any and all official records, files, and data directly
District Information

related to their children or themselves, including all material that is incorporated into each folder intended for school use or to be available to parties outside the school system; and specifically including but not necessarily limited to: identifying data, academic work completed, level of achievement, attendance data, scores on standardized tests, health data, family background information, teacher or counselor ratings and observations, and verified reports of serious or recurring behavior patterns. Requests to review official records must be in writing to the building principal or superintendent of schools.

In addition, parents of a student under 18 have the right to request a correction of any information contained in the student record that they believe to be in error, misleading or otherwise inappropriate.

Parents also have the opportunity to forbid their child’s participation in any survey that reveals information on certain types of personal behavior or political beliefs.

Parents also have the opportunity to exclude their child from any activities in which personal information will be gathered from students and used for marketing purposes.

Such requests shall be filed in writing with the principal of the school having the record with a copy sent to the superintendent. In the event such a request is denied, the interested parties have the right to appeal to the superintendent for a hearing. Parents, guardians, or eligible students may:

1. file a complaint with the U.S. Department of Education alleging failure of the district to comply with FERPA and its regulations; and

2. obtain copies of this policy and the locations where copies may be obtained.

Consent for Use of Photographs/Videos:

Throughout the school year, photographs or videotapes might be taken of students for use in district-produced publications and videos or by the news media. If you do not wish your child to be photographed or videotaped, please indicate this, in writing, to your child’s school.

Asbestos Management Plan:

In accordance with the Asbestos Hazard Emergency Response Act (AHERA) of 1987, Cazenovia Central School District’s facilities have been inspected and response actions are planned to ensure a continued safe environment for our students and employees. An update of the district’s management plan was completed in 2013. Copies of the district’s asbestos inspection report (and lead testing results) may be inspected during normal office hours in the Business Office at 31 Emory Ave., by prior appointment. Please contact the Business Office at 655-1340.

Pest Management:

New York State Education Law Section 409-H requires all public and non-public elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticide applications. If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, please complete the form provided in the “Back to School” issue of Cazenovia Central School District’s Blue and Gold Newsletter. For further information on these requirements, please contact the district’s Integrated Pest Management Program Leader, Mr. David Hazer at 655-5354, dhazer@caz.cnyric.org.

Fire Inspection Report Policy:

Notice is hereby given that the annual inspection for 2014 of structures within the Cazenovia Central School District for fire hazards which might endanger the lives of students, teachers, and employees therein has been completed.

Structures inspected include all buildings owned by the district. The report is available for review by all interested persons at the Buildings & Grounds Office, 31 Emory Ave., Cazenovia, N.Y. 13035.

Use of School Facilities:

All meetings and other uses of school buildings and grounds will be scheduled on a master list recorded by Mr. David Hazer in the Buildings & Grounds Office. The use of all outdoor athletic facilities is organized and scheduled by the Coordinator of Athletics.

Community groups may request the use of school facilities by contacting the principal’s office of the school with the desired facility. A facility request form will need to be filled out two weeks prior to the date requested. A certificate of insurance is required. Prior to use, outside groups will be charged a fee in accordance with Board of Education policy.

Code of Conduct:

The Cazenovia Board of Education is committed to providing a safe and orderly learning environment in which students may receive – and Cazenovia schools personnel may deliver – quality educational services without disruption or interference. Responsible behavior by students, teachers, other Cazenovia Central School District personnel, parents and other visitors is essential to achieving this goal.

To this end, the Board of Education has adopted a district Code of Conduct. The code applies to all students, school personnel, parents and other visitors when on Cazenovia Central School District property or attending a Cazenovia schools function. Copies of the code are available in the district office and online at www.caz.cnyric.org.
Release of Student Information to Military Recruiters:

As part of the No Child Left Behind Act, military recruiters and institutions of higher learning have access to secondary students’ directory and public relations information. Directory and public relations information means name, address, telephone number, date and participation in activities recognized as official student organizations, and other similar information already a matter of public knowledge in the school community.

A high school student or parent may ask that the district not release such information without prior written parental consent.

Student records other than directory and public relations information, and any material contained therein that is personally identifiable, are confidential and may not be released or made available to persons other than parents or students without prior written parental consent.

Student privacy policy:

The Protection of Pupil Rights Amendment (PPRA) to the federal Family Educational Rights and Privacy Act (FERPA) affords parents certain rights regarding district surveys, collection and use of information for marketing purposes, and certain physical exams. Parents may exercise their right to excuse their child from participating in any survey created by a third party (before it is distributed to students) and questionnaires intended to collect personal information from students for marketing purposes.

Non-discrimination policy:

Cazenovia Central School District does not discriminate on the basis of age, color, religion, creed, disability, veteran status, marital status, sexual orientation, national origin, race, or sex regarding its educational or employment practices. Inquiries concerning this policy of equal opportunity and questions on grievance procedures should be referred to Matthew Reilly, Superintendent of Schools, Cazenovia Central Schools, 31 Emory Ave., Cazenovia, N.Y. 13035, (315) 655-1317.

BMI reporting policy:

New York state requires schools to track each student’s Body Mass Index (BMI) and weight status category as part of school health examinations. Every year, the NYS Department of Health will survey some schools for the number of pupils in each of six possible weight status categories. If Cazenovia is surveyed by the state, the district will share summary group data only, not individual names or information. Parents who wish to exclude their child’s data from such group calculations must contact the child’s school nurse.

Health information privacy:

Under the Health Insurance Portability and Accountability Act (HIPPA), some districts or schools may be a “covered entity.” If a district or school (or person within that school, i.e. the school nurse) is included in the “covered entity” category, then the district must provide notice of its privacy practices with regard to protected health information.

Homeless students policy:

As required by No Child Left Behind, all districts have responsibilities to homeless students in the district. In order to serve these students, each district must appoint a liaison for homeless children that are currently residing within a district. The liaison must first identify these students and, to aid in doing so, post notifications regarding educational services and contact information at places where the parents of homeless students will see it. These locations can include, but are not limited to, homeless shelters, medical clinics, post offices and local social service offices. Superintendent Matthew Reilly is the liaison for Cazenovia Central School District.

Idling School Buses on School Grounds:

New York Codes, Rules and Regulations require that the engine of a bus or truck powered by diesel fuel shall not idle for more than five consecutive minutes when the bus or truck is not in motion except when a bus or truck is forced to maintain motionless because of the traffic conditions over which the operator thereof has no control or when state regulations require the maintenance of a specific temperature for passenger comfort.
The Transportation Department consists of Bus Drivers, Attendants, Mechanics and the office staff: Connie Thorp, Dispatcher, and Karen Cowherd, Transportation Supervisor. Throughout the school year, staff takes part in workshops, refreshers, annual reviews, medical examinations and random drug testing. We are committed to the safe transportation to and from school every day for every student. We wish you a healthy and happy school year.

School bus service for 2014-15 school opening:
- School buses will operate on Thursday, September 4, for students in grades K-12.
- Bus routes will be published by the week of September 1, 2014.
- Buses traveling to non-public schools and BOCES will operate according to the school calendar for each school.

Safety at the bus stop:
- Younger children and pets should be kept clear of the bus stop. The full attention of the driver and students is necessary.
- Parents or caregivers of younger students should be visible at the time students are dropped off.
- Kindergarten students must be dropped off to an adult.
- Students should move away from the bus.
- Students should never cross behind the bus or try to get on from behind the bus.
- Students should follow the safe crossing procedures explained by the school bus driver.

Late bus routes:
- Late bus routes are planned to take students home from afternoon BOCES programs.
- Students participating in after-school activities need a late bus pass from the teacher/coach to ride late bus.
- Late buses leave the Middle School bus circle at approximately 3:45 p.m.

School closings or delays:
Any day school is closed due to adverse weather conditions no buses will run. On days when school is delayed, weather permitting, the afternoon schedule will resume. The radio, television and the internet will provide up-to-date information.

Student reminders:
- Be ready and waiting at the bus stop when the bus arrives.
- Wait for the bus to come to a complete stop. Wait for the crossing signal from the driver before moving toward the bus.
- Students should remain seated whenever the bus is moving. All buses have seat belts, available for student use.
- Students should talk quietly.
- Manageably sized backpacks are recommended.
- Eating and drinking on the bus is not permitted.
- Problems should be reported to the driver, building principal, teacher or parent. Students should not try to handle problems themselves.
- Drivers may assign seats. Drivers may issue student conduct reports.

Parent reminders:
- Day care information should be in place before school starts. This information must be renewed each school year. It is helpful to correct this information prior to the first day of school to insure your child is on the correct bus.
- Eating and drinking on the school bus are not allowed due to the danger of choking and risk to those with food allergies.
- Live pets, even when caged, are not allowed on the buses. No glass items of any kind are permitted. Skateboards, sleds, ice skates, snowboards and scooters should be transported by parents, as these items may cause injury to passengers.
- Backpacks should be used to help keep items together and be of a size that can be easily and safely managed by the child.
- Large musical instruments, large athletic bags and fragile projects may need to be transported by parents, due to limited space.
- All students will participate in a school bus evacuation and safety drill during the first seven days of school and at least two other times during the school year.
- Belongings should be marked with student name and the school attending.
- All changes should be in writing to the school. Bus passes will be issued for all bus changes. Verbal requests from students must be verified.
- Every effort should be made to call before 1 p.m. with any changes for the afternoon schedule for your child.
- Afternoon bus routes will only transport your child to home or to daycare. Transportation will not be provided for play dates, lessons or parties.
“Education is the most powerful weapon which you can use to change the world.”

To check for new and rescheduled events, visit the CCSD website at www.caz.cnyric.org.
Parent-Teacher Conferences:

Parent-teacher conferences are an important and valuable part of pupil reporting procedures in our schools. At least one parent-teacher conference is scheduled yearly for each child in kindergarten through fourth grade.

The value of a parent-teacher conference comes from a frank and honest exchange of information, which can help both parties have a better understanding of the child, his or her abilities and needs and the experiences that have formed the child’s background to date and the aspirations that will form their education in the future.

To help realize this value, we offer the following suggestions for conferencing:

1. Please plan to keep the conference schedule.
2. If you are unable to keep your appointment, kindly notify the school as soon as possible. Another appointment will be arranged.
3. If at all possible, please make arrangements to come to the conference without the child or other children.
4. Before attending the conference, you might find it helpful to make a list of the things you wish to discuss with the teacher.

Kindergarten Eligibility:

Children who will be 5 years old on or before Dec. 1, 2015, are eligible to attend kindergarten during the 2015-16 school year. At the kindergarten registration time in March 2015, an appointment will be made for each child to be screened.

It is a requirement for all public schools in New York state to screen all new entrants to determine those students who may be gifted or who might possibly have a handicapping condition or other special needs. The screening is a preliminary method of distinguishing such students from the general population.

In order for registration to be complete, each child is required to provide a copy of the birth certificate, proof of residency, proof of custody, if applicable, and evidence of immunization against measles, rubella (German measles), mumps, polio, hepatitis B, diphtheria and chicken pox.
Six-Day Cycle:
Burton Street Elementary School operates on a cycle that allows for a repeat of special activities every six days. These activities include physical education, art, music and library. Gym classes meet four times every six days; music meets twice; art and library meet once each cycle.

At the start of school, parents will receive a schedule of their child’s classes.

Report Cards:
Report cards for kindergarten through fourth grades are issued at regular, 10-week intervals throughout the school year.

Picking Up Students at Dismissal Time:
Some parents prefer to pick up their children at dismissal time, which is 2:25 p.m. at Burton Street. Children to be picked up are sent to the art room when their classmates are escorted to the bus circle. Parents, relatives or other adults are required to sign the child out at the art room.

This policy is to be followed each time a pick-up is made. Students who are not picked up by the time the buses leave the circle will be escorted to the main office to wait for a parent.

Traffic congestion at the school continues to be a safety concern for us all. Parents are strongly encouraged to have their child learn to use the school bus to go to and from school and to do so on a regular basis.

Should parents choose to drop off or pick up their child, please do so safely:
- Obey the speed zone.
- Follow the traffic flow patterns at the school.
- Park in designated parking areas when available.
- Do not block fire lanes.
- Be cautious of other vehicles and particularly the movements of parents and their children entering and exiting the school facilities and grounds.
- Do not let your child enter or exit the vehicle in traffic. When dropping off, please have students exit on the sidewalk side.

Walkers:
Elementary students who live in the neighborhood and walk home from school each day are brought to the front gym when their classes are escorted to the bus circle. After the buses have left the circle, the walkers are escorted to the front door for dismissal.

Classroom Visitation:
Parents and guardians are welcome to participate in their child’s activities throughout the school day. All visitors and volunteers are by appointment and are required to sign-in at the front office. We require the wearing of name tags in order to ensure a safe environment for all students.

Special Visitors
Relatives and friends are invited to visit the school. These visitors are asked to notify the school office prior to their visit. School bus transportation is not available for these visitors.

Parking
The parking lot is available for parents who choose to drive children to school and walk them into the building.

If parents are just dropping their children off, they may do so in front of the rear entrance. There are a limited number of handicapped parking spaces available, so please reserve them for those with the appropriate stickers. Students should never be let out of the vehicle on the traffic side of the lot.

Do not park in the loading zone or block the fire lane(s).
Please remember to drive slowly while in the parking lot and be careful to watch for children exiting and entering vehicles. To reduce congestion in the parking areas (at arrival and dismissal times), we encourage parents to have their children take the bus.

Late Entry/ Early Departure Procedures
Elementary students are expected to be on time for the start of classes, which is at 8:03 a.m. daily. Walkers and students driven to school should not arrive prior to 7:40 a.m. If it becomes necessary to bring your child into the building following the start of the school day, you must accompany your child to the nurse’s office with a note to sign the child into school for the day.

Should you need to pick up your child early from school, please send a note with your child on the morning of the day he/she is to be dismissed. The note should give the child’s name and the reason for the early departure. The note will be sent to the office and recorded.

When you arrive to pick up your child, please come to the office. He/she will be called to the office. The parent will then sign the child out.

Parents may not pick up their child directly from the classroom under any circumstances. If a departure plan changes during school hours, please call the office with the changes before 1 p.m. No changes, including pick-ups, will be allowed after 1 p.m.
A typical Cazenovia Middle School student will have classes in reading/language arts, foreign language, math, social studies, science, physical education, art and music. In addition, students may participate in chorus, band or orchestra.

Foreign language is introduced in the fifth grade approximately two days per week and is taken on a daily basis in the sixth and seventh grades.

### Counseling

Individual counseling, group counseling, classroom presentations, orientation programs, parent conferences, homework management systems and outside referrals are some of the services provided by the middle school psychologist. The counseling office maintains an open door policy, making the counselor readily available to students, parents and teachers. Your child is very important. If you are concerned, we want to help. Mrs. Collins is the middle school psychologist and can be reached at 655-1315.

### Parent Portal

Grades and attendance are available online through our Parent Portal. Open your Web browser to our district’s website at [www.caz.cnyric.org](http://www.caz.cnyric.org). Scroll to “Caz MS,” “Parent Resources,” and then “Parent PowerSchool.” Enter your user name and password provided by the middle school office. Interim Reports and Quarterly Report Cards will be posted on the Parent Portal. If you do not have access to a computer and require a paper copy, please contact the middle school office at 655-1324.

### Report Cards

Student performance in all subjects in the middle school is graded by a letter grade “A” through “F,” with the exception of physical education, which is graded “S” for Satisfactory or “U” for Unsatisfactory. Parents can access report cards and interim reports via the Parent Portal (see above).

### School Agenda

Each student will receive a Middle School Agenda. The first pages serve as the student/parent handbook. The remainder of the agenda provides students with a homework assignment sheet with space for
parent-teacher communication. Each student will be required to bring his/her agenda to each class every day. Parents should use this as a tool to assist students with maintaining academic progress.

Parent-Teacher Conferences
Conferences at the middle school are held on an “as needed” basis. If your child’s teachers do not contact you for a conference, and you have a particular concern, please call the middle school guidance office at 655-1315 during school hours. In addition to our half-days, conferences are scheduled during and after school hours throughout the year.

Extra Help for Students
Classroom teachers are available to provide extra help as needed for any student. Students seeking extra help should talk to their teachers and arrange a time when the student can get extra individual help. Parents may also directly contact teachers to request that their child receive extra help.

Athletic Department Schedules and Direction Booklets
For up-to-date school sports game schedules and possible game or practice cancellations, please use the district website at www.caz.cnys.org and click on Athletics. Follow the prompts to find the specific team and schedule you are looking for.

These online schedules will always be the most accurate schedules available and are updated daily. If you are having trouble accessing the schedules or other athletics news online, please call Coordinator of Athletics Mike Byrnes in the athletic department office at 655-1349.

Section III School Directories are available for $5 each in the athletic department office. These booklets feature directions to away sites and phone numbers for all of the schools in Section III.

Let Us Help You Resolve Conflicts and Concerns
Administrators, faculty and staff members at Cazenovia Central School District recognize parents and community members might have concerns and complaints regarding instruction, district programs, materials and student management. The district welcomes any constructive criticism when it is motivated by a sincere desire to improve our educational programs and increase school efficiency.

Officials at the Cazenovia Central School District believe complaints and grievances concerning school personnel are best handled and resolved as close to their origin and in as timely a manner as possible, in order to be fair to all involved. Therefore, the proper channeling of complaints initiated by a student or parent must be followed.

Start here and work through the channels of communication until resolution is achieved.

Student
Teacher/staff member/coach/adviser
Principal/supervisor
Superintendent of Schools
Board of Education

If, after discussing the complaint at the school and district level, the complainant is still not satisfied, the complainant should present their complaint in writing to the Board of Education. Factual material such as names, dates, names of witnesses and other specifics should be included in the written complaint.

In order to discourage hearsay, rumors and prejudiced opinion, students and their parents are encouraged to contact school personnel at the time of any incident.

### High School Grade Level Classification

The criteria for classification at each of the grade levels is outlined below:

- **Grade 9**: Satisfactory completion of eighth-grade course work, and/or faculty recommendation and approval of principal.
- **Grade 10**: Satisfactory completion of 4.75 units.
- **Grade 11**: Satisfactory completion of 9.50 units.
- **Grade 12**: Satisfactory completion of 13.25 units.

---

**Visits**: www.actstudent.org, www.collegeboard.com

---

**Cazenovia High School Counseling**

Cazenovia High School students are assigned counselors by grade level and by alphabetical division. Counselors assist students with their social, emotional and educational development.

The Counseling Office is located in Room 110. Counselors provide information or direct services related to:
- academic support;
- financial aid information;
- college support process and scholarships;
- college applications;
- course selections;
- resume writing;
- graduation requirements;
- career counseling;
- personal issues;
- scheduling; and
- special programs scheduling.

In order to reach out to all students, counselors engage in a variety of activities: one-to-one counseling, group counseling, parent consultation, student/teacher/parent conferences, etc. The counselors maintain an open-door policy, making themselves readily available to students, parents and teachers.

---

**Online at**: caz.cnyric.org/high-school/
High School Report Card Information

MARKING PERIOD HONORS

- Honor Roll: 85.0 - 89.9
- High Honor Roll: 90.0 - 94.9
- Highest Honors: 95.0 - 100

Letter grades are no longer used on interim progress reports, report cards or transcripts.

The following system can be used as a reference for letter grades. Some resources might list letter grades.

Below are the numerical equivalents:

<table>
<thead>
<tr>
<th>Numerical Grade</th>

REPORT CARDS

Quarterly report card averages shall be calculated using a weight equal to the credit value of the course. This will also be the basis for calculating quarterly Honor Rolls.

End-of-year or course final averages shall also carry an extra credit value for AP exam courses. A value of 1.06 shall be added to the annual course average for a student who has been enrolled in and completes an AP course, including taking the AP exam. AP weighting takes place after the AP exam. If a student in grades 9-12 enrolled in an AP course does not take the AP exam at the end of the year, then that final course grade shall not have an AP extra credit value.

Graduation Requirements

Graduation requirements and diploma designations will be as follows:

**Regents**

Community Service

Students are required to complete 40 hours of community service prior to graduation. All students are encouraged to complete 10 hours per year. For more information concerning Community Service Requirements and the related procedures for reporting service hours, please reference the Cazenovia Student Handbook.
Katelin Frisbie, Grade 3
Cazenovia School District Mission

Each individual will strive to attain his or her potential in a positive and safe learning environment in which the entire school community encourages excellence and a sense of responsibility. A caring attitude and an appreciation for learning and the development of required academic standards are necessary to achieve the mission.
