April 5, 2017

Dear Parents:

As you know, the winter months brought greater than expected snowfall resulting in the need to take six snow days instead of the allocated five. In order to meet the NYS mandated number of student session days we need to designate a snow day make-up day. In consultation with the teachers' unit and after confirming with the NYS Education Department we have determined that **Thursday, June 22nd will be a half-day for students K-7.**

Thank you,

Matthew Reilly
Superintendent, Cazenovia Central School
