March 23, 2018

Dear Music Parents,

The music department's performance at the Civic Center in Syracuse originally scheduled for Wednesday, May 23rd will need to be changed to the following **Wednesday, May 30th**. We apologize for any inconvenience this date change might cause.

As you know, our students participate in many different events, both in and out of school. While the original date was scheduled far in advance, a sectional sports event, out of our control will occur on the original date. This sectional will cause a significant conflict to students involved in both, and we feel this can be best averted by changing the date to the following week. We hope that this advance notice will minimize the number of conflicts for our students and allow them the opportunity to focus on celebrating the hard work they have done in their respective music organizations.

On a different topic, I'd like to announce a new member of our High School music department. Mr. Greg Wakeman begins April 2<sup>nd</sup>, and comes to us from the Homer Central School District where he was an integral member of their music program. We are excited to have him come to Cazenovia where he will teach Wind Ensemble, Concert Band and music lessons.

If you have any questions, please feel free to contact your child's music teacher or myself anytime.

We appreciate your continued support for our music program, our district, and most importantly, our students.

Sincerely,

Peter Ciarelli  
Principal
