Asbestos Management Plan

In accordance with the Asbestos Hazard Emergency Response Act (AHERA) of 1987, Cazenovia Central School District's facilities have been inspected and response actions are planned to ensure a continued safe environment for our students and employees. An update of the district's management plan was completed in 2022. The triennial review and inspection was completed in 2022. Copies of the district's asbestos inspection report (and lead testing results) may be inspected during normal office hours in the Business Office at 31 Emory Ave., by prior appointment. Please contact the Business Office at (315) 655-1340.

Code of Conduct

The Cazenovia Board of Education is committed to providing a safe and orderly learning environment in which students may receive—and Cazenovia school personnel may deliver—quality educational services without disruption or interference. Responsible behavior by students, teachers, other Cazenovia Central School District personnel, parents and other visitors is essential to achieving this goal.

To this end, the Board of Education has adopted a district Code of Conduct. The code applies to all students, school personnel, parents and other visitors when on Cazenovia Central School District property or attending a Cazenovia school function. Copies of the code of conduct are available in the district office and on the district website.

Kindergarten Eligibility

Children who will be 5 years old on or before Dec. 1, 2025, are eligible to attend kindergarten during the 2025-2026 school year. At the kindergarten registration time in March 2025, an appointment will be made for each child to be screened.

It is a requirement for all public schools in New York state to screen all new entrants to determine those students who may be gifted or who might possibly have special needs. The screening is a preliminary method of distinguishing such students from the general population.

In order for registration to be complete, each child is required to provide a copy of the birth certificate, proof of residency, proof of custody, if applicable, and evidence of immunization against measles, rubella (German measles), mumps, polio, hepatitis B, diphtheria and chicken pox.

Pest Management

New York State Education Law Section 409-H requires all public and non-public elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticide applications. If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in a school, please complete the form provided on the district website.

For further information on these requirements, please contact the district's Integrated Pest Management Program Leader by calling the Business Office at (315) 655-1340.

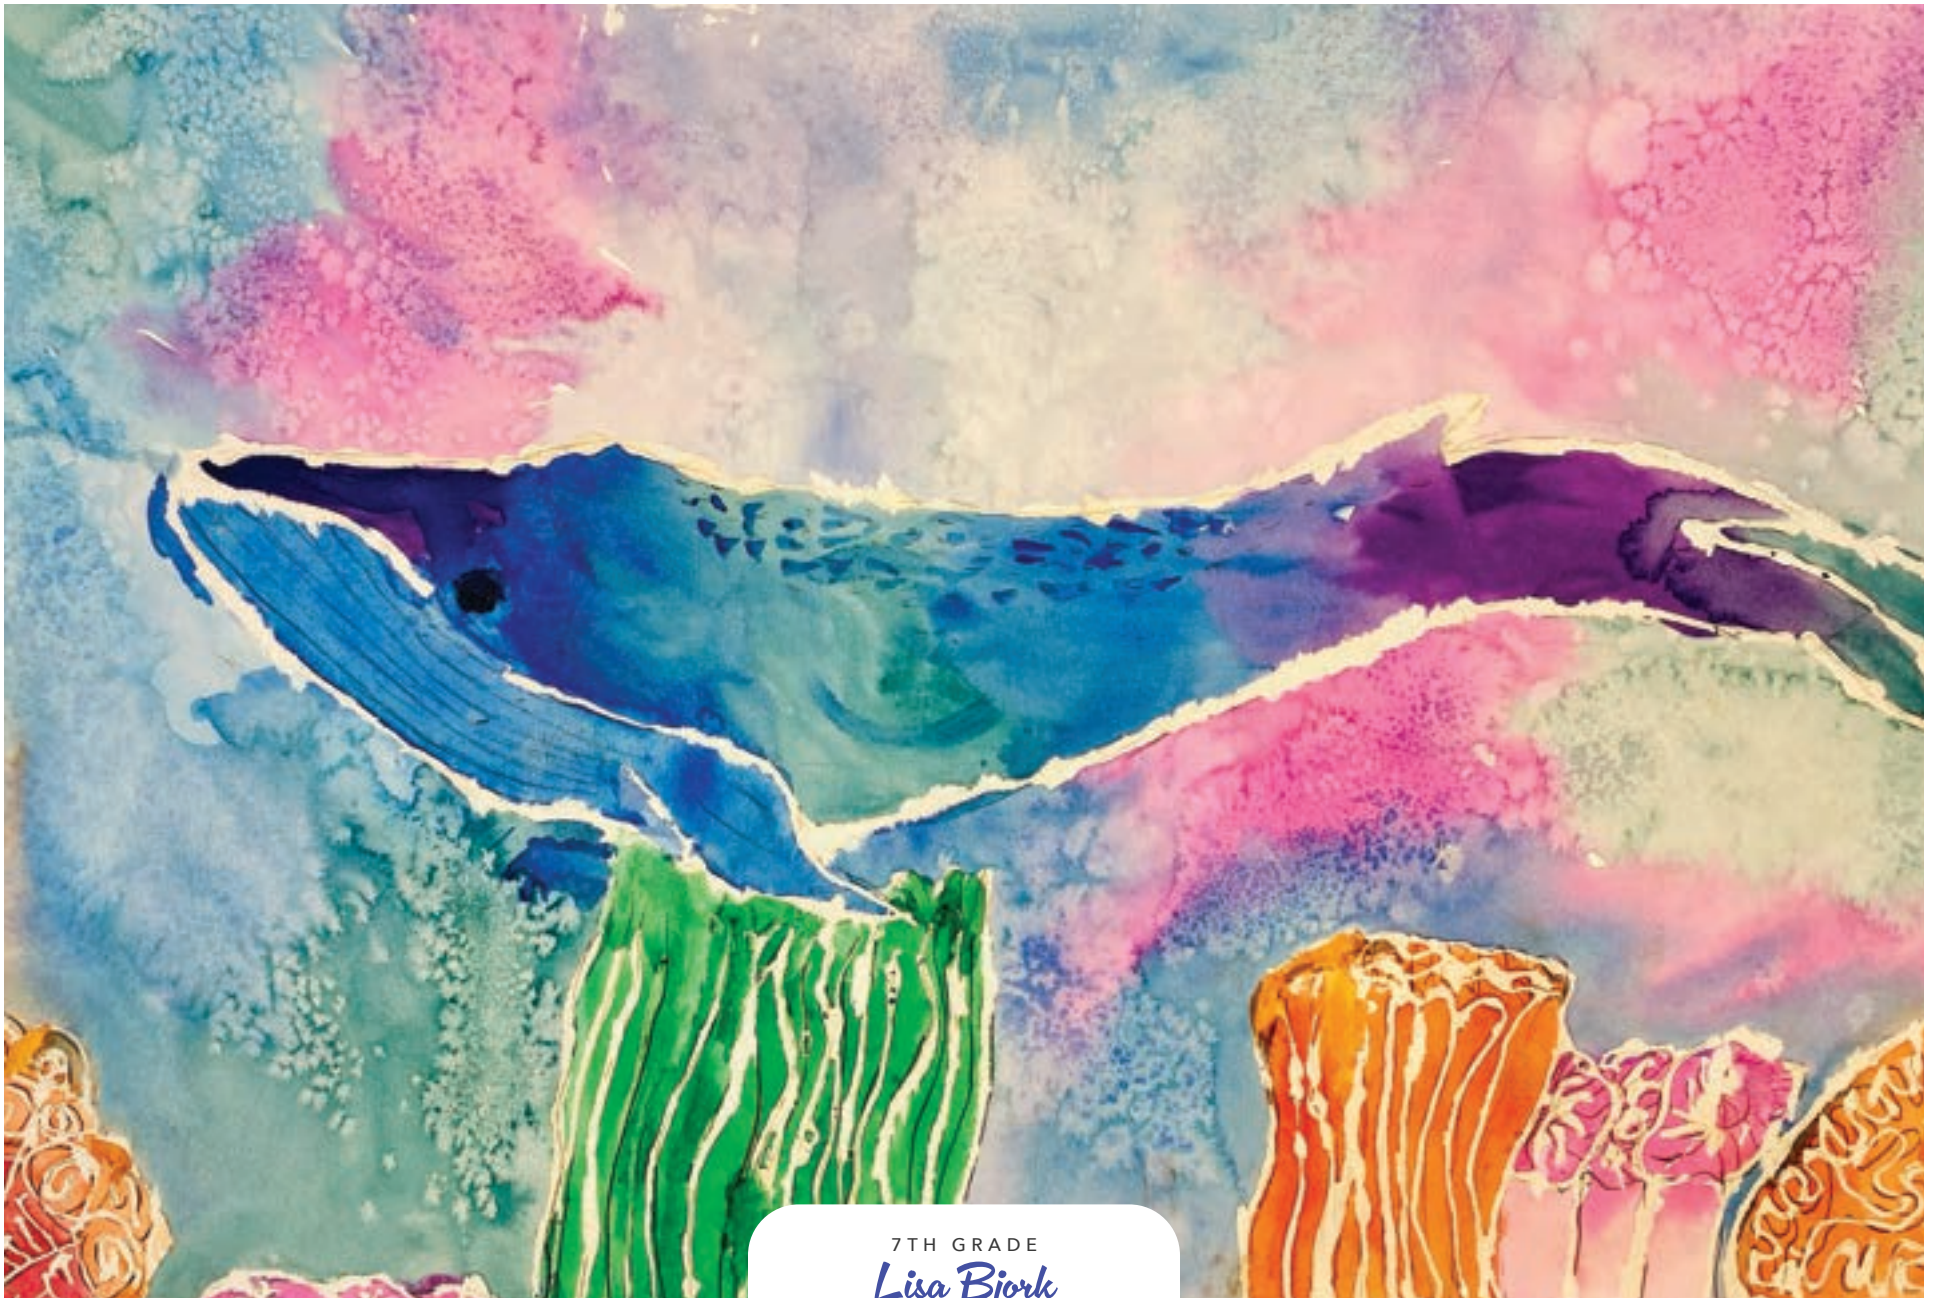

Nondiscrimination Policy

Cazenovia Central School District does not discriminate on the basis of age, color, religion, creed, disability, veteran status, marital status, sexual orientation, national origin, race, or sex regarding its educational or employment practices. Inquiries concerning this policy of equal opportunity and questions on grievance procedures should be referred to the Superintendent of Schools, Cazenovia Central Schools, 31 Emory Ave., Cazenovia, NY 13035; (315) 655-1317.

School Facilities Use

All use of school buildings and grounds will be recorded and available to view through ML Schedules on the district website. Approved use of outdoor athletic facilities is organized by the Coordinator of Athletics. All other facility use is approved by the Director of Facilities. Community groups may request the use of facilities by following directions on the website. If you do not have internet access, please call the Business Office at (315) 655-1340 for assistance. Two weeks notice is appreciated for all facility use requests. Insurance is required. Outside groups may be charged at rates set by the Board of Education at its annual organizational meeting in July.
