In Memoriam
CAZENOVIA MOURNS THE PASSING OF BOB DUBIK

The Cazenovia Central School District is saddened to share that Robert S. Dubik, retired Superintendent of Schools at C.C.S.D. from 2004 to 2014 and former High School Assistant Principal and Burton Street Elementary School Principal from 1991 to 1996, passed away on November 13th, 2014 in the evening at home with his family by his side.

Bob is survived by his loving wife Terri of 36 years, and their two great sons Coy (Stephanie) Dubik and Cole Dubik.

Funeral services were held Saturday, November 22, 2014 at 11:00 a.m. at St. James Church in Cazenovia. The ceremony was largely attended and was standing room only. A reception was held immediately after the funeral services at the Cazenovia High School’s Buckley Gymnasium. The funeral was a beautiful ceremony and a tribute to Bob’s life. Former High School Principal, colleague, and friend, Mr. Tom Long thoughtfully delivered the eulogy in Bob’s honor. As the funeral procession started, the organ fittingly played “Take Me Out to the Ballgame” and the Cazenovia Chamber Choir sang the lyrics.

Donations may still be made to the Robert S. Dubik Memorial Scholarship Fund, 5767 East Lake Road, Cazenovia, NY 13035.

VETERANS DAY CEREMONY ORGANIZED BY MIDDLE SCHOOL INTERDISCIPLINARY STUDY GROUP A SUCCESS!

On Monday, November 10th, the Cazenovia Middle School Interdisciplinary Study Group, comprised of teachers in special areas, organized a school-wide observation of Veterans Day for our school. This year, Veterans Day coincided with the 200th anniversary of our national anthem, the Star Spangled Banner. This celebratory event took place on the track during 9th period on a beautiful, sunny afternoon.

The purpose of our celebration was to form a human representation of the American flag and sing the National Anthem, as well as meet some of our local veterans. All of our Middle School students were told what color clothing to wear (red, white or blue) to form the stars and stripes and all of our teachers wore black to form the flag pole. The students and teachers lined up on the bleachers in the flag formation and listened as Dr. Regan read about the origins of Veterans Day as well as the writing of the Star-Spangled Banner. We invited local veterans to come and join us so that we could honor them for their service to our country. The veterans, who attended, were Irving Nourse, Keith deClerg, Steve Rowland, Chad Eno, and Kurt Wheeler. Mr. Evans introduced the veterans and told the students which branch of the service they were in and when their service took place. Following this, everyone present sang The Star Spangled Banner. As the students left the bleachers, each one was able to shake the hands of the veterans and thank them for their service. It was an outstanding afternoon and a meaningful way to show our students how important Veterans Day is to all of us.

COMMUNICATIONS CLUB PRODUCES CAZENOVIA VIDEO

You may already have seen it covered by the Cazenovia Republican, but we wanted to pass along the link to you in case you have not. After over a year’s worth of hard work, the following graduates of Cazenovia High School and former members of the Communications Club produced a video for The Greater Cazenovia Chamber of Commerce and Cazenovia Area Community Development Association highlighting all that Cazenovia has to offer:

Joseph Gugino • Christian Howles • Sam Braun
Garret Hansen • Dylan Burrell • Check it out out here: https://www.youtube.com/watch?v=r__MtrRfjzds

The students completed the video in June, but it is now finally being shared with the general public. Enjoy! This was a completely student-led project and all the work done on the video was completed by the students listed above. If you happen to see or know someone who might see them - pass along a congratulatory remark on their efforts as they deserve all the credit!

WELLS AND SKINNER NAMED LIONS CLUB STUDENT OF THE MONTH AWARD WINNERS

Brendan Wells, a senior at Cazenovia High School, has been selected as Cazenovia Lions Club Student of the Month for September 2014. Brendan is the son of Michael and Eireann Wells of Cazenovia. The Lions Club Student of the Month selection is based upon exemplary school and/or community service.

Brendan’s nomination was submitted by Mr. Robert Oldfield of the Cazenovia High School Faculty and reads as follows:

“Brendan Wells is a member of the football and golf teams. He plays in both the Jazz and Wind ensembles. Brendan is a member of the National Honor Society and Mock Trial teams. He has given time to the summer baseball league, Pop Warner, Cazenovia Library, and St. James Church as service to his community. Most recently, Brendan has volunteered to coach a student from Burton Street Elementary who will be participating in the Special Olympics. Brendan is a model student and citizen in our school community.”

The Cazenovia Lions Club is pleased to honor Brendan for his leadership and service.

Kiersten Skinner, a senior at Cazenovia High School, has been selected as Cazenovia Lions Club Student of the Month for October 2014. Kiersten is the daughter of Michael Skinner and Carrie Steinbauer of Cazenovia. The Lions Club Student of the Month selection is based upon exemplary school and/or community service.

Kiersten was nominated by Mrs. Terry Campbell of the Cazenovia High School Faculty and reads as follows:

“I nominate Kiersten Skinner for Student of the Month. Kiersten has been an essential part of our high school music department since she was a freshman. She plays bass in the Orchestra and String Ensemble and also sings in Concert Choir and Chamber Choir. Kiersten volunteers her time and talents wherever there is a need. She has played in the pit orchestra for the Drama Club musicals and is an active member of the Tri M Music Honor Society. She encourages others to get involved in music department activities and supports her classmates in their endeavors. Kiersten works to make every event successful and enjoyable for all. She maintains a positive attitude, is focused in class and in rehearsal and gives her best effort at all times. She is not afraid to challenge herself and step out of her comfort zone. She accepts every opportunity to learn and grow, always seeking constructive criticism and feedback. In short, Kiersten leads by example. She is a joy to teach and to know.”

The Cazenovia Lions Club is pleased to honor Kiersten for her Service to the school and community.

Student of the Month nominations can be made by students, school staff members, parents or community members. Nomination forms are available from the Assistant Principal’s Office at Cazenovia High School or from the Cazenovia Lions Club.

THIRD ANNUAL PUMPKIN RUN A SUCCESS!

On Sunday October 26th the Cazenovia Class of 2019 hosted the Third Annual Pumpkin Run. The event was a huge success, as families, relatives, and friends among the community came together to have a jovial time of laughter and running. Despite the rainy weather, we still had a great turn out and great fun! The Spooky Sprint was a blast for the children who had the opportunity to show off their Halloween costumes a few days early. The 5K also went well as elementary teacher Erich Nieman won first place, followed by Sean Satchwell in second place, and Jimmy McPherson in third place. If you ran in the race and would like to know your time, please e-mail Trisha Moesch at tmoesch@caz.cnyric.org.

The Class of 2019 would like to thank everyone who participated in, sponsored, or showed support in the Pumpkin Run this year. This run will be held again next year on October 25th, 2015. Please contact Trisha Moesch or Nicole Morello for details. If interested in helping to continue the tradition look for details in the summer of 2015.

ALL THE WORLD’S A STAGE!

This winter, Cazenovia High School students are bringing the brilliant William Shakespeare’s words to life. Two independent study students in “Shakespeare and the Theatre” are producing a modernized production of the iconic A Midsummer Night’s Dream. This well known comedy will grace the stage Friday, January 23rd at 7:00 p.m. in the High School’s auditorium, and it is open to the public.

A talented cast & crew of around 40 students with exceptional talent and passion are rehearsing to bring the magic to life. While some students work on set pieces, artwork and lights, other student learn lines and bring characters to life. All of it happens under the watchful eye of Christie Brenneck. Mrs. Brenneck is an English teacher as well as one of the advisors to the Shakespeare Club. Along with the hardworking students, she has managed to begin preparing for the show with virtually no budget.

Though the students are learning about Shakespeare, this is no ordinary production. The language has been written in modern day English in order for the students to relate to the story. Sydney Dennis, student director, says, “we’ve been able to keep the traditional story that was written many hundred years ago and modernize it in order to keep it relevant and relatable.”

And, the students are loving every second of it. Emily Kielbasinski, who plays the role of Helena agrees, “I’ve had so much fun playing Helena, who is such a sweet, loving character, and working with everyone else, and I can’t wait until we get to show everyone what we can do!”

Alfred Moskvich, who plays the role of Demetrius, says, “I like that I get to be in a love triangle, even though I’m better at interacting with girls then Demetrius is,” he smiles a big smile and continues, “But, I am most excited about performing!”

Both Emily and Alfred are included in a very large, talented cast.

Although there will be no admission charge to see the play, donations are much appreciated. Through time and hard work that has already been generously donated to get the show up and running, costumes and sets still need to be funded. If you are interested in sponsoring this wonderful project, feel free to email Christie Brenneck at cbrenneck@caz.cnyric.org.

CAZENOVIA HIGH SCHOOL ANNOUNCES KEMPTON SELECTED FOR ALL-STATE CHORUS

The Cazenovia High School Music Department is pleased to announce that Timothy Kempton was selected to the NY State Conference All-State Mixed Chorus. He participated in a concert held at the acclaimed Eastman Theatre in Rochester, NY during the annual Winter Conference of the New York State School Music Association (NYSSMA), which was held from December 4 –7, 2014.

Tim, a junior, is the son of Shelly Kempton and David Blair. He is a member of the high school Concert Choir and Chamber Choir. Tim has studied privately with Eric Toyama and has been involved in the High School Drama Club spring musical. Students are selected for the All-State ensembles based upon NYSSMA Solo scores. Tim scored a perfect 100 on his level 6 audition at the Fayetteville-Manlius solo festival last May.
Dear Cazenovia families,

Recently, parents of students in grade 7-9 were mailed the ISR or Individual Student Reports detailing your child’s performance on the grades 3-8 New York State Math and ELA assessments. This information is used to identify strengths and weaknesses in both curriculum and instructional delivery. Our teachers were hard at work all summer making improvements based on the information provided in these reports. These reports are also used to identify individuals in need of additional academic support, but they do not give us the whole picture.

This year Cazenovia High School will be changing the way we identify and support our struggling learners. In the past, we used the term (AIS) or Academic Intervention Services. In this model, performance on state assessments is used to identify some students for additional instruction outside the regular education program. This year we are adopting (RtI) or the Response to Intervention model, which provides for a 3 tiered approach to instruction for all Cazenovia students.

In Tier 1 all students are universally screened to ensure that we have an accurate picture of their academic strengths and weaknesses. A key component of RtI is differentiated instruction for all students within the regular education classroom. Differentiated instruction will support struggling learners as well as those students prepared for enrichment opportunities.

In Tier 2 and 3, we move to increasingly more intensive supports for students not seeing success from the Tier 1 interventions. Frequency intensity and class sizes vary by student need. Students will continue to have their progress monitored and specific interventions will be designed to address skills deficits. Students will move in and out of Tier 2 as they develop their skills.

This year in grades 8-9 we adopted the STAR program by Renaissance Learning as another tool to help us accurately identify what students know and are able to do. With accurate information about individual student performance we can target and develop specific skills. We can then provide the supports that students truly need. For example, a student struggling in social studies may be struggling with a literacy deficiency that is unrelated to the content required in class. Specific student intelligence empowers us to treat the source of a problem rather than a symptom of a larger issue.

A key component of the RtI process is parent involvement. This year parents will be provided with additional information about their child’s performance on the STAR assessments. Working together we can discuss student progress, collaborate on interventions and set goals to ensure that all Cazenovia students grow. Thank you for your continued support of student learning and achievement at Cazenovia Schools.

GRADE 7 IROQUOIS PROJECT

Seventh grade social studies students have been researching the Haudenosaunee (Iroquois) people. All students presented their research to their classes, created relevant visuals and wrote a formal research paper. As a supplement to the project, local historians were invited to speak and present artifacts relevant to the Iroquois. Mrs. Shotzberger and Mrs. Hill, of the Cazenovia Public Library, presented the artifacts to the students in a “hands-on” lab setting. The lesson focused on Iroquois culture prior to European contact and was part of a four-part program made possible by the Middle School PTA. Later presentations will focus on the Iroquois role in the American Revolution, the impact of the Erie Canal and a Cazenovia photo presentation using historical images.

CAZENOVIA LAKERS REPRESENT AT SPECIAL OLYMPICS

On October 1st, 2014, 15 Cazenovia student-athletes traveled to Canastota High School to participate in the 2014 Special Olympics Autumn Games. The day started with a parade of athletes around the track that ended with the whole crowd reciting the Special Olympics motto, “LET ME WIN. BUT IF I CANNOT WIN, LET ME BE BRAVE IN THE ATTEMPT.”

After the parade, motto, and National Anthem, several track and field events were held.

This year’s participants were Sage Byrnes, Kodi Callahan, Luke Clonan, Ian Decker, Harry Dydo, Anna Linck, Sam Louis, Sophia Lupinski, Ryan Lyrek, Ava Marshall, Alex Mussision, Zachery Streeter, Ryan Tallman, Connor Wilcox, and Connor Zampetti. They participated in events such as the 50, 100, 200, and 400-meter runs, 25-meter dash, softball throw, tennis ball throw, shot put, and the standing and running long jumps. After participating in their athletic events, students enjoyed lunch with their buddies, and were able to make crafts.
Cazenovia Junior High Drama Club students took center stage on November 7th and 8th when they presented the classic Disney musical ALADDIN for a sold out crowd! Complete with magic carpet and the beloved score by Alan Menken, ALADDIN was a must-see for families, who cherish the irrepressible genie, his young smitten master, and the strong-willed princess, who have delighted and inspired children since the movie’s release in 1992. Cast members claimed this “rag to riches” story as their own as they soared through the energetic extravaganzas of “Friend Like Me” and “Prince Ali,” while capturing the vocal and lyrical beauty of the theme song, “A Whole New World.”

Stellar performances by lead characters included C.J. Monroe (Aladdin), Betsy Chantry (Jasmine), Kyler Hathaway (Sultan), Jackson Wright (Genie), Jonathan Benn (Jafar), Naomi Hamlin-Navias (Iago), Laura Connor, Morgan Gregg, Kayla Karmis, Kathryn Kielbasinski, Hannah Matteson and Meg Seeley as Narrators, Angelo Annotto as Razoul, Douglas Buckley, Ronan DeFanti, Ian Melvin, Jonathan Streeter, Ben Tainter as Guards, Maddie Meigs as Handmaiden, Ava Hartley (Magic Carpet) and Whole New World and Harem Dancers, Katie Ammann, Clari Atherlay, Abby Burrell, Emmie Dolbear, Julia Falge, MaryRose Giangiobbe, Skyler Grimes, Olivia Hodge, and Townspeople, Hailey Kubiniec, Rachel Lines and Mackenzie Sullivan. Cast & Crew members numbered over 70 students and cast members had been in rehearsal since the beginning of the school year.

Congratulations to the entire cast and crew for such memorable teamwork and talent and many thanks to the families, staff and community members that made this production such a huge success. The splendor of Disney spun its magic on our stage and in our hearts!

The day was a great success for everyone involved. The Cazenovia team returned to school ribbons in their hands and smiles on their faces. Great job to the participants and the senior buddies!

**STUDENTS IN MS. CLARK’S KINDERGARTEN CLASS ARE BUSY, BUSY, BUSY**

The children enjoyed their fall field trip to the pumpkin farm! At the farm, they picked their own pumpkins and met several farm animals. They have learned the life cycle of ladybugs, apple trees, and pumpkin plants.

Other exciting activities involve math with manipulative materials. Students practice their sharing skills while exploring, creating, and building patterns. All the students are eagerly working on their reading skills and very much love working with each other in partner pairs. Partners listen to their classmate and compliment the reader before beginning their own turn at reading. Celebrations can be fun, too!

Halloween was a blast! But did you know, kindergartners used their candy as a graphing activity? They brought in more chewy chocolate bars than any other kind of candy. Learning is COOL!

CAZENOVIA GIRLS MODIFIED SOCCER TEAM HELD A SOCCER CLINIC TO COLLECT FOOD ITEMS FOR CAZCARES

The girls modified soccer team offered a soccer clinic to all interested 3rd and 4th grade soccer players. The modified soccer team was grouped into five teams and each team organized and coordinated a “soccer station”. The youth players rotated stations every 15 minutes so that they could work on different soccer skills. It was a great turnout and a wonderful learning opportunity for the older athletes to coach the younger athletes as well as an opportunity to do something really wonderful for their community.

TENNIS TEAM BAKES FOR FALL FESTIVAL

The Girls Varsity Tennis Team raised $463.00 during the Fall Festival in the village of Cazenovia on Saturday, October 25th, 2014. At their first team bake sale, the girls sold a creative and delicious variety of homemade baked goods including everything from fresh pumpkin bread to sugar cookies decorated like tennis balls.

Half of the bake sale proceeds will be donated to the American Cancer Society in Mr. Dubik’s honor. Congratulations to the team and thank you to the parents and everyone who supported the sale.

COMMUNITY BADMINTON TOURNAMENT IN MEMORY OF BOB DUBIK, FRIDAY, DECEMBER 12TH

By Megan Henderson

On Friday, December 12th the Cazenovia Sports and Entertainment Marketing class will be hosting a Badminton Tournament in the H.S. Buckley Gym, after the half-day, at 11:00 a.m. This event is to raise money for the American Cancer Society in memory of our former superintendent, Bob Dubik, who recently passed away after being diagnosed with cancer this past summer shortly after he retired.

This event allows our class to have hands on experience with hosting and planning a sporting event.

During the tournament many activities will be available. There will be raffles, music, and food for purchase. This is the fourth time the Cazenovia High School Sports and Entertainment Marketing Class will be hosting a Badminton tournament and it has been a success each and every time. We encourage everyone to come and show his or her support!

Admission is $1. Participating in the tournament is open to the community. If you are planning on playing, signups started November 10th at the HS. The cost is $13. This cost includes the t-shirt ($10) and $3 goes to the American Cancer Society. If you would just like to purchase our class designed t-shirt, the cost is $10.

Please contact Mrs. New, if you would like to sign up to play, purchase a t-shirt or donate to our cause at cnew@caz.cnyric.org.
ROWLES LEADS XC LAKERS TO SUPER SEASON

Despite graduating its most seniors ever after their successful 2013 season, the Girls Cross Country team raced back to the top of the standings in 2014 thanks to a talented group of young runners. The Lady Lakers were ranked among the top ten Class C teams in New York throughout most of the fall and finished the season with a 4-1 league record and a second place finish among 19 teams at the Section III, Class C championships.

The Lady Lakers were led by 8th grade standout Clara Rowles, who advanced all the way to the New York State Championship Meet, where she finished fourth among all Class C runners in the state, the highest finish ever for a Cazenovia harrier. Her time of 19:17.5 over the 5,000 meter course came within seconds of 2014 graduate Jeanette Cudney’s 5K record of 19:10 set at the NYSPHSAA meet one year earlier.

The team’s success was a testimony to their resilience as they lost their top six runners from the 2013 squad (three to graduation and three to injury). All-league runners Rowles and Meggie Hart (Grade 9) led the way for the Lakers with Freshmen Katie Robbins and Alexa Tillman and Sophomore Caitlin Clonan rounding at the top five in their runner-up performance at Sectionals. With 12 of 13 runners returning next year and more talent moving up from a successful modified team, the future looks bright for Cazenovia girls cross country.

FALL VARSITY TEAMS EARN NYSPHSAA SCHOLAR ATHLETE STATUS

We are pleased to announce that all eight (8) varsity teams qualified as New York State Scholar Athlete Teams this fall (2014). Thank you all for supporting these student-athletes throughout the school year. One of our annual goals in the athletic department is to have all varsity teams earn NYSPHSAA Scholar Athlete status. Member schools that qualify 100% of their varsity teams for an entire school year can apply to be recognized as a “School of Distinction”.

* To qualify as a “NYSPHSAA Scholar Athlete Team” the team “Average”, which is based on a minimum number of student-athletes’ grades (varying by sport), needs to be 90.0 or higher. Any additional students on a team, who also averaged 90% or higher, are considered scholar-athletes as well, but their scores do not impact the team average used for team qualification. Usually, the highest team average possible is used to try and rank the team as high as possible across the state by sport.
